

CPA ONTARIO PRACTICAL EXPERIENCE REQUIREMENTS

Change of Job from the Experience Verification Route (EVR) to the Pre-approved Program Route (PPR)

As part of the CPA Ontario Practical Experience Requirements, you are required to report a change of job within the Practical Experience Reporting Tool (PERT). You must document your change of job within 90 days of the date of your job change. Failure to do so may result in your practical experience not being approved by CPA Ontario.

When to Submit a Change of Job Assessment

- You are terminating employment with your current employer;
- You are changing roles at your current employer (i.e. External Audit to Taxation);
- Please note that you are not required to submit a change of job assessment if you are being promoted within your role (i.e. Assistant Manager, Audit to Manager, Audit); or
- You are changing office locations when in a Pre-approved Program Route (PPR) (i.e. your job may be the same, but you are moving physical locations).

Submission Instructions

1. Create/update a current experience report for the proficiency achieved for the technical and enabling competencies achieved during your time at your employer.
2. Select SUBMIT in the report details tab to put the report to a **VERIFICATION REQUESTED** status.

3. Add your CPA Ontario Mentor to your profile.
