Change of Student Registration – Legacy Student to Transitional Student

CPA Ontario ID:

First Name:

Last Name:

DECLARATION

I am requesting a change in my student registration as a Legacy Student to a Transitional Student due to the following reason:

- I am unable to complete my legacy program requirements by the 2020 deadline.

I understand that the transition from a Legacy Student to a Transitional Student is irrevocable and I will no longer be eligible for the dual designation

I have reviewed the outstanding requirements and deadlines for Transitional Students as detailed in [Regulation 9-1](#), including:

- Successful completion of any outstanding PEP Modules (if applicable)
- Successful completion of Capstone 1 and Capstone 2 and the CFE by June 30, 2022
- Completion of the [CPA Ontario Practical Experience Requirements](#) by June 30, 2023

I understand that I will be required to meet all the above requirements prior to their prescribed deadline if my change of student registration is approved.

I understand the deregistration deadlines as outlined in [Regulation 9-1](#)

I understand that students are required to complete all requirements within 10 years of their registration date and this date will not change with my transition to a Transitional CA Student. My deadline to complete the requirements may therefore be earlier than the dates noted above.
