In addition to good character, students seeking admission into the CPA Professional Education Program (CPA PEP) must meet all the following requirements:

- 120 credit hours (or equivalent) of education from a recognized academic institution; and,

Students who have not met the admission requirements for the CPA PEP must complete additional degree-credit courses at a post-secondary institution (PSI) or [CPA preparatory courses](#) to top up their degree credit hours and/or prerequisite education.

NOTE: Students applying for a transcript assessment with CPA Ontario are subject to all relevant policies and regulations related to transcript assessments. This includes, but is not limited to, the [CPA Ontario Academic Prerequisite Assessment Guidelines](#), [CPA Ontario Regulation 9-1: Student Registration, Obligations, and Standing](#) and the [CPA National Recognition and Accreditation Standards for Post-Secondary Institutions](#).

The following courses can be taken at **Redeemer University College** in order to meet the prerequisite course requirement for admission into the CPA PEP.
