

## Subject Area Coverage for Entry into the CPA PEP University of Waterloo *Bachelor of Science (Honours)*

In addition to good character, students seeking admission into the CPA Professional Education Program (CPA PEP) must meet all the following requirements:

- Conferral of a degree from a recognized academic institution;
- 120 credit hours (or equivalent) of education from a recognized academic institution; and,
- The successful completion of the entry prerequisite courses in each CPA competency area (i.e. financial reporting, strategy and governance, management accounting, audit and assurance, finance, and taxation). Successful completion is defined as meeting the minimum grade requirement, the grade point average, and the currency of education requirement.

Students who have not met the admission requirements for the CPA PEP must complete additional degree-credit courses at a post-secondary institution (PSI) or [CPA preparatory courses](#) to top up their degree credit hours and/or prerequisite education.

**NOTE:** Students applying for a transcript assessment with CPA Ontario are subject to all relevant policies and regulations related to transcript assessments. This includes, but is not limited to, the [CPA Ontario Academic Prerequisite Assessment Guidelines](#), [CPA Ontario Regulation 9-1: Student Registration, Obligations, and Standing](#) and the [CPA National Recognition and Accreditation Standards for Post-Secondary Institutions](#).

The following courses can be taken at **University of Waterloo** in order to meet the prerequisite course requirement for admission into the CPA PEP. Unless otherwise noted, all the required courses for each subject area **must** be completed in order to meet the admission requirements for the CPA PEP. A single course may appear against more than one subject area in cases where it covers competencies across multiple content areas. Students are strongly encouraged to complete **all** courses within a subject area at one PSI. If an equivalent course is not listed as offered in the table below it must be completed at another PSI or through the [CPA preparatory courses](#) to meet the requirement.

### Non-Core Prerequisites

Subject Area	CPA Preparatory Course	Equivalent Course(s)	Minimum Grade
